The Great American Circus & Wild West Show #16

Introducing the PORTLAND.

Once again Micro-Trains has been commissioned to decorate this Kato smooth side sleepers. This passenger car is the sixteenth in a series of railcars that will follow the theme of the Great American Circus. These cars will be equipped with Micro-Trains trucks and couplers. Color and pageantry are their trademark! This will truly be "The Greatest Show on Rails." Delivery will be fourth quarter 2009.

While there were issues with #15's production, we have learned from them and this car will deliver on time. Thanks for your understanding!
This production is extremely limited.
